

TRAVEL AND HEALTH PROTOCOL FOR MILIPOL QATAR EXHIBITION 2021

1

Register online

- Register online before the event and print your print colored-at-home badge on A4 sheet before traveling.
- Each registration will go through an approval process.
- It is mandatory for you to book your accommodation in one of the hotels list below.

2

Entry Visa

- All the international attendees should send a valid passport copy including clear Expiry date for Visa approval.
- We advise you to use Qatar Airways for traveling.
- All International attendees should fill up the ticket form at the end of this document and send it back to the organizing committee .

3

At Doha Airport

- Present your print- at-home event badge.
- All arrivals should be tested for COVID-19 within 72 hours before entering the country with a valid negative PCR result.
- Must have the EHTERAZ mobile application downloaded and a local SIM CARD in order to register a local number in EHTERAZ APP. The SIM card can be bought at the airport, it costs around 10 to 15\$.
- A PCR test to be done on arrival to the Doha airport. Another PCR test to be done after 5th day of arrival.
- All arrivals need only to be quarantined at their accommodation until the 1st PCR test (upon arrival to Doha) result comes back negative. This usually takes a maximum 24 hours.
- Shuttle buses service from the Airport to Hotel will be provided by the organizing committee.
- All Arrivals will be part of a strict medical bubble system designed to protect their health and wellbeing. This will include regular COVID-19 testing, safe transportation methods, and regular disinfection of event venue.

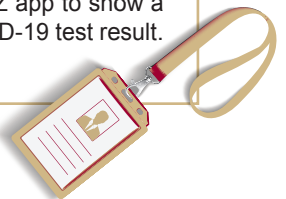

Very Important !

4
